Additional information

About me	Started my journey by creating AI in C++ and Python, loved matrices and maths, however, however, frontend has become closer, I am familiar with TreeJS and popular frameworks such as Vue, React. Vue is preferred. Also actively learning NestJS and Laravel to expand my knowledge and skills. Interview before the interview. Questions:
----------	---

1. What do you like about the job?
2. What do you dislike about the job?
3. What is the most convenient time (UTC:3:00+) for you to work?

Answers:

1. sociable team, horizontal scalability of the company, well-established processes.
2. Unpaid overtime, toxicity, lies from co-workers and distrust.
3. 9:00 - 19:00 (one hour for lunch)
